INSTRUCTIONS

1. Use a medium brush to apply 3 generous coats of Red Head to the cherry on the top of the cupcake.
2. Paint the stripes with 3 coats of paint alternating between Red Head, Squash Blossom, Sunny Side Up, Kiwi, Oceanscape, and Perfectly Purple.
3. For the fingerprints:
 - Brush a layer of paint to the fingertip and press onto the top part of the cupcake using one of the colors listed in Step 2.
 - Use a pencil to write the child's name next to the print.
4. To apply the names, use a detail writing bottle with Licorice to write the name next to that child's fingerprint.
5. If desired, write the class/organization name on the back of the platter with the year.

TIPS

- Three coats of paint will give you a solid color.
- For the writing bottle, only fill the bottle 1/2 way to avoid it coming out too fast. This will help with smaller writing.
- Get the writer bottle flowing on a paper towel before you write on your piece. This will work out any air and sputtering that might occur.
